**Additional Information:** Human Resources and Organizational Behavior; Due to the travel required, he can be available via Skype or other video-conferencing program.

**Joseph Eastin**, President, ISNetworld, Dallas, Texas

**Areas of Expertise:** Entrepreneurship, Finance, Management, Management Science and Information Systems, Marketing, Other

**Larry Ferree**, Retired VP of Human Resources, Nature Photographer, Director, Oklahoma Medical Research Foundation, Oklahoma City, Oklahoma

**Areas of Expertise:** Management, Other

**Additional Information:** Mr. Ferree has spoken to student groups many times during his career about the importance of choosing a career field that matches their strengths and interests, not on the basis of what's "hot" at the time, or what all their buddies are choosing. He relates his own experience in making this mistake and how it almost resulted in him being trapped in a field in which he had little chance for success and fulfillment.

**Gavin Finn**, President and CEO, Kaon Interactive, Inc., Framingham, Massachusetts

**Area of Expertise:** Entrepreneurship, Management, Marketing
**Michael Greenwood**, Founder and Managing Director, Carnegie Capital LLC, Stillwater, Oklahoma

**Areas of Expertise:** Entrepreneurship, Finance, Management, Other

**Additional Information:** Mr. Greenwood has been involved in the field of private equity for over a decade. Prior to founding Carnegie Capital, Mr. Greenwood had a 25-year career in the energy industry as a mergers & acquisitions executive and CFO of several public companies. He has also served on the board of directors with listed companies on the New York, Nasdaq and London stock exchanges.

He prefers a Q&A format versus presentation format to maximize student interaction.

**Rost Ginevich**, CIO, Ancillary Care Services, Dallas, Texas

**Areas of Expertise:** Management, Management Science and Information Systems

**Ike Glass**, CEO, Glass Operating Group, Newkirk, Oklahoma

**Area of Expertise:** Management

**Clifton Gray**, Senior Development Analyst, ONEOK, Inc. Tulsa, Oklahoma

**Areas of Expertise:** Economics and Legal Studies in Business, Entrepreneurship, Management, Management Science and Information Systems, Marketing

**Additional Information:** Clifton has presented to various groups, both professional and academic, including OSU undergraduates and graduate students.

His favorite topics include: Systems thinking, human factors in collaborative work, the myth of multitasking, the impacts of technology, college recruiting/professional image, how to make mistakes, and software development.

Mr. Gray has also presented "Life After College: Your Finances" for OSU Career Services' and "Your Job Search: Uncovered", which had great reviews.

He strives to make his presentations both fun and through-provoking.

**Michael Guillory**, Worldwide Corporate Brand Communications, Texas Instruments, Dallas, Texas

**Areas of Expertise:** Management, Marketing

**Additional Information:** extensive experience with global branding, marketing communications and comprehensive metrics reporting on all disciplines of marketing; significant experience in message segmentation, legal requirements for product/corporate positioning and international considerations for marketing programs; can provide students with a real-world view of the opportunities and challenges of a global marketing role in a fortune 100 corporation. He also can offer ideas on how to stay grounded, nimble and opportunistic in a process-oriented corporate environment; he has presented to numerous university marketing and advertising classes at SMU, TCU, North Texas and regional chapters of the AMA and the national CMO club and wants to share his experiences with his Alma Mater OSU as well! Fridays would be preferred for presentation times.
Robert Hall, CEO (now retired), ActionSystems, Dallas, Texas

Areas of Expertise: Entrepreneurship, Management, Marketing

Additional Information: He was Founder and CEO of a 200-person customer relationship management consulting and software company with offices throughout the U.S. and in Toronto, London, Johannesburg, and Sydney for over 20 years. He sold the company to a publicly-traded company. His first book was a business best seller entitled “The Streetcorner Strategy for Winning Local Markets”. He has authored over 100 published articles, columns and research studies. He served on the Advisory Board for the University of Texas at Dallas Management School and co-chaired the committee on curriculum development for their master's program -- Management 2000. He got both of his degrees, B.S. (1971) and M.A. (1973), from OSU and taught two years while in graduate school. He would really enjoy speaking on topics such as: business start-up, customer management, employee management, and leadership.
